

# Cucumber and Radish Salad

Printed from Cucumber Recipes at <http://www.cucumberrecipes.co.uk/>

*This is a simple summer salad, perfect for serving up as an accompaniment to BBQ meats and rich foods such as potato salad. It would also be delicious served with salmon or haddock.*

## Ingredients:

1 cucumber  
8 radishes  
1/2 red onion  
4 tbsp. olive oil  
2 tbsp. lemon juice  
Pinch garlic salt  
Pinch black pepper

## Directions:

1. Peel the cucumber and thinly slice. Finely slice the radishes, and cut the red onion into thin half moons.
2. Whisk the oil and lemon, then season with salt and pepper.
3. Layer the cucumber, radishes and onion, then drizzle with the dressing. Serve cool.
