

# Homemade Gherkins

Printed from Cucumber Recipes at <http://www.cucumberrecipes.co.uk/>

*Gherkins are one of those foods that some people adore and others hate - but if you're a gherkin lover, this simple homemade gherkins recipe is a super way to make your own. Serve with cold cuts of meat and crusty bread.*

## Ingredients:

5kg small cucumbers  
2 onions  
Dill sprigs  
1.25l malt vinegar  
2.5l water  
250g caster sugar  
4 tbsp. salt  
Couple pinches pickling spice

## Directions:

1. Wash the cucumbers and remove the stems. Slice the onions into rings. Pack into sterilised jars and add a pinch of spice to each jar.
2. Heat the vinegar, water, salt and sugar together until boiling, then remove from the heat and pour over the veg in the jars. Seal immediately.
